## PUMPKIN SEED PLUS CAPSULES

Item No.: 5449260

Getting older brings many challenges. From the age of 50, it becomes increasingly difficult to build and maintain muscle mass, which can have unpleasant side effects.

Pumpkin seed, saw palmetto and stinging nettle provide support for the prostate. The magnesium contained in our capsules contributes to normal muscle function, including the function of the prostate muscles. Zinc ensures normal testosterone levels. Vitamin C and zinc are included to protect the prostate cells – they counteract oxidative stress.

### Benefits

- Vegan
- Contains pumpkin seed extract, saw palmetto extract and nettle leaf extract
- Magnesium contributes to normal muscle function.
- Zinc contributes to the maintenance of normal testosterone levels in the blood.
- Vitamin C and zinc help to protect the cells from oxidative stress.
